Textbooks (printed b&w)

The printed **Textbooks** with lessons are easy to follow and save you money! Each full curriculum textbook offers comprehensive course contents for a grade level. It makes learning math fun, easy and engaging with illustrations and easy to follow lessons. The math concepts are demonstrated with sample problems to ensure students fully understand how to apply concepts to real world math problems.

We recommend purchasing the printed **Workbook** to go with the curriculum textbook to make a complete set with practice problems (worksheets) and chapter tests.

We offer textbooks for the following grade levels:

- ✓ 1st Grade Math
- ✓ 2nd Grade Math
- ✓ 3rd Grade Math
- ✓ 4th Grade Math
- ✓ 5th Grade Math
- ✓ 6th Grade Math
- ✓ Pre-Algebra
- ✓ Algebra1

Workbooks (printed b&w)

Workbooks are a great way to practice problem solving and keep all student work in one well organized place. Each workbook includes worksheets for all lessons in a textbook (textbook sold separately), chapter tests and answer keys.

We recommend purchasing a curriculum textbook to make a complete printed curriculum set. You can use our workbook to supplement math curriculum option of your choice.

Key feature of the workbooks are,

- ✓ The workbooks provide an added convenience for parents, teachers and students where students can do all their work in one convenient place
- ✓ Students can document the step-by-step process they follow to arrive at a solution to each problem
- ✓ Spiral or comb bound for ease of use

We offer workbooks for the following grade levels:

- ✓ 1st Grade Math
- ✓ 2nd Grade Math
- ✓ 3rd Grade Math
- ✓ 4th Grade Math
- ✓ 5th Grade Math
- ✓ 6th Grade Math
